About Our Hardship Fund

100% of sponsorship funding will be allocated to low income families to enable their children to participate in high volume training.

Means Tested

A scoring matrix that incorporates employment status, annual net income and monthly expenses is used to determine a discount ranging from 10% through to 40%.

Training Volume

The hardship fund is specifically for those gymnasts requiring high volume training. Some gymnast undertake 12 hours per week.

Competitive Opportunities

Gymnastics is a foundation for all sports. It can open a world of sporting competitive opportunities for children and young adults.
