

# EXCITING NEWS!

Zodiacs are pleased to announce to our members that we have been successful in two grant applications for NEW EQUIPMENT!!! Thanks to a combination of our member fundraising efforts in 2018, Burnie City Council and the Tasmanian Government, through the Sport and Recreation Major Grants Program 2018-19, administered by Communities, Sport and Recreation, the club will see the purchase of new and replacement equipment to the value of \$30,000.

Our equipment upgrades include new;

- \*FIG (International Federation of Gymnastics) certified competition uneven bars.
- \*Trainer platform for uneven bars.
- \*FIG certified balance beam.
- \*Wide top low balance beam.
- \*Double rebounder bars.
- \*Mini-still ring frame for our young gymnasts.
- \*Mini horizontal bar for our young gymnasts.
- \*Tumble Trak training aids.
- \*Safety padding.
- \*Spotters boxes (x2) and a;
- \*Large soft landing mat.

Zodiacs would like to sincerely thank our members for their support and assistance in the range of fundraising activities held in 2018 that has made this all possible. Zodiacs would also like to acknowledge and sincerely thank the Burnie City Council for their support during the application stage of the Sport and Recreation Major Grants Program, and the Tasmanian Government for supporting the club and sport of gymnastics on the North West Coast. These successful grant applications will have a huge impact on our club. Without these two grant partners it would not have been possible to acquire these amazing and much needed purchases.

2019 is set to be an exciting year of growth for the Club with additional classes being added to our class timetable and new staff appointments. Zodiacs gymnasts and other members of the community who use our facility can now look forward to training on Olympic quality equipment. Exciting times for gymnastics on the North West Coast and the city of Burnie!
